

**3rd Zillertal VÄLLEY RÄLLEY tour stop on 8 and 9 March 2025
at PenkenPark Mountopolis - Mayrhofen-Hippach in the Zillertal**

All eyes are now on the PenkenPark in Mayrhofen. This is where the 3rd Zillertal VÄLLEY RÄLLEY Tourstop hosted by Blue Tomato will take place on 8 and 9 March 2025. With a unique combination of international snowboard slopestyle competitions, coaching sessions and side events, the VÄLLEY RÄLLEY is one of the leading junior series for young snowboarders from all over Europe. A special highlight on Sessions Day is the Blue Tomato presents: Penken FunCross Battle, where everyone can get involved. Registration for the contest and coaching sessions is now open at <https://valleyralley.at/>.

The PenkenPark in Mayrhofen is the 'home park' of the Ästhetiker Snowboard Crew. As one of the most popular freestyle parks in the Zillertal, it is also one of the top 5 snow parks in Europe. At the 3rd Zillertal VÄLLEY RÄLLEY tour stop, the programme includes the open snowboard slopestyle competition as well as many side events. On contest day, snowboarders of all ages will be competing on the advanced and medium line. Plenty of medals and prize money await the day's winners. The best trick will also be rewarded with a prize from Horsefeathers.

Depending on weather conditions, the competition will take place on Saturday or Sunday, with coaching and Penken FunCross Battle on the other day. The Ästhetiker crew will announce the final schedule by Thursday before the event. On both days, Blue Tomato will be catering for the well-being of all participants in the Riders Lounge with free hot dogs, snacks and drinks. With the third of four contest results, the tension in the VÄLLEY RÄLLEY Overall Ranking will finally rise in Mayrhofen. The overall tour winners will be crowned the new Zillertal VÄLLEY RÄLLEY royal family after the fourth and final tour stop at Hintertux Glacier in the beginning of May. By participating in the Mayrhofen-Hippach holiday region, snowboarders will collect valuable points on the international World Snowboard Point List (WSPL) to qualify for European Cups and World Cups. The tour stop is a recognised ASA (Austrian Snowboard Association) Austria Cup and rookies (U18) are credited points in the World Rookie Ranking. The two leading rookies in the Overall VÄLLEY RÄLLEY Ranking each win a WildCard for the World Rookie Finals. Further information on the international points system can be found at <http://www.powdern.com>.
