**YOUR MOUNTOPOLIS: ONE WINTER. TWO MOUNTAINS.
MOUNT PENKEN AND AHORN – DISCOVER THE INCREDIBLE MAYRHOFNER BERGBAHNEN DOUBLE ACT**

Mayrhofen, 2025: there is no either or when it comes to Mountopolis, the Mayrhofner Bergbahnen World of Adventure. Idyllic adventures and exhilarating relaxation? You can have both here. In the centre of it all: Mount Penken and Ahorn – two mountains with one mission: to provide memorable winter moments. Stories await in Mountopolis in the Tyrolean Zillertal, ones you'll recount later with a twinkle in your eye. And it doesn't matter whether you're a winter sports enthusiast, adventure seeker, lover of good food and great views, or more family orientated – we bet you'll find something to love!

FACTS. FIGURES. BEATING HEARTS: YOUR MOUNTOPOLIS

We let our facts speak for themselves – and your heart will beat along to our exciting tune. Discover two mountains that are so much more than the sum of their numbers.

- **Snow guarantee**

With 89 % of the slopes located above 1,700 m in altitude in average across the region and state-of-the-art snowmaking technology, perfect conditions are not left to chance but are guaranteed. Here, winter sports are as dependable as the mountains themselves – and they don't just deliver snow, but also the perfect setting for your winter adventure.

- **Dimension & diversity**

142 kilometres of slopes across the extensive ski area of Ahorn, Penken, Finkenberg, Eggalm and Rastkogel. **61 lifts**, to take you wherever you want to go – and a range of slopes that caters to everyone, from easy riders to steep slope legends. Blue, red or black slopes? FunRide, ValleyRun, ExerciseArea, or snow park. You want it. We've got it!

- **State-of-the-art facilities**

Faster ascents means you can enjoy it all for longer: glide over the valley in comfortable cabins and straight into the world of Mountopolis with the **3S-Penkenbahn**, or Austria's largest cable car, the **Ahornbahn** – engineering highlights that perfectly combine panoramic views and adventure.

- **Early bird advantage**

The Ahornbahn opens at **07.30 a.m.** throughout the entire winter season – for all those wanting to keep up with the early bird. **Tip:** tackle the freshly groomed **ValleyRun Ahorn** first thing in the morning.

- **Away from the slopes**

Mountopolis isn't just a skier's paradise – and there's good reason for that. Winter hiking in fresh powder snow, tobogganing with friends, indoor play zones for the little ones, or close encounters with majestic birds of prey turn even non-skiing days into a memorable experience here.

- **AlbertAdler Adventure World & Family fun**

Mountopolis' mascot, AlbertAdler – children's favourite and selfie star – is guaranteed to put everyone in a good mood. Whether you meet him in person during **AlbertAdler on Tour** sessions on Mount Ahorn and Penken, play with Albert's friends in the **AlbertAdler PlayWorld** or join him on **Albert's Penken Tour** – there's no getting away from this entertaining eagle!

- **A variety of winter events**

From spectacular sporting highlights to cool sessions in PenkenPark and exciting festivals– the Mountopolis event calendar is packed with moments that should definitely not be missed!

- **One valley, one ticket**

Your joker: the **Zillertal Superskipass**. This grants you limitless access to all ski areas in Zillertal, encompassing 548 kilometres of slopes with 180 lift facilities.

THE MUST DOS OF YOUR MOUNTOPOLIS WINTER

We'll show you what makes winter in Mountopolis your place to be. With the brand-new **SkyRide Ahorn**, you glide skywards on the open-air panorama deck of the Ahornbahn, rising under the open sky to 2,000 metres above sea-level. Bird's-eye views and that open-air feeling – here your winter cinema starts before you've even reached the top. Once atop Mount Ahorn, the **AlbertAdler AdventureTrail** awaits – the next snowy thrill. With spectacular highlights such as the **FalkenSteig** trail and the **GreifenBrücke** bridge floating high above Mayrhofen, this new circular route brilliantly combines a winter hike with a veritable holiday highlight. Or you may prefer to sample close encounters with our stunning birds of prey? Then head to the **"Meet & Greet"** at the **Eagle's Stage Ahorn**, where you'll come face to face with these majestic aerial acrobats!

Meanwhile, pure adrenalin awaits over on **Mount Penken**. The legendary **Harakiri** – Austria's steepest slope experience with a jaw-dropping 78 % gradient – and the award-winning **PenkenPark**, now with the brand new **FunCross**, serve up thrills galore. Here, airtime meets style – from the KidsPark right up to the ProLine, which tests the skills of even the very best pros.
