BIRDS OF PREY SHOWS

THE STAGE IS SET FOR THE KINGS OF THE SKY

Happy spectators enjoy the show as the suspense rises. An introduction to the Eagle's Stage on Mount Ahorn, however, requires no fanfare. The impressive location and the act of becoming better acquainted with the Birds of Prey is a formative experience in itself.

Visitors have free, daily access to the Eagle's Stage on Mount Ahorn from mid-June to October (except Wednesdays and Fridays) between 10.00 a.m. and 12.00 p.m., where they can visit the falconers with their Birds of Prey.

At the Birds of Prey Show, which takes place daily (except Fridays) at 02.00 p.m., almost 400 «cinema-goers» can experience the majestic aerial acrobats in action and, in addition to the impressive flight manoeuvres, discover exciting information about the habits of these feathered wild animals. A show of this kind at such close quarters is way better than any evening at the cinema.

FALCONRY BACKSTAGE

LOOK BEHIND THE SCENES

All those who can't get enough of these fascinating aerial artists should visit the Falconry Backstage Workshop, which takes place every Wednesday. You spend a morning (08.00 a.m. to 11.00 a.m.) with our falconers there, accompany them behind the scenes and delve into the world of Birds of Prey. Our experts will explain to you how to feed and care for the animals, how to handle them in a species appropriate manner and what you need to bear in mind when it comes to animal welfare. The workshop then culminates with the Birds of Prey Show - where you have the best seats!

- **Registration:** Online at www.mayrhofen.at/en/tickets
- **Workshop meeting point:** 08.00 a.m., Ahornbahn valley station
- **Minimum age:** 16 years
- **Maximum number of participants:** 10 persons
- **Language:** German only!
