

# INFORMATION LEAFLET DOG-KEEPING AND MANAGEMENT

Our Andermatt Holiday Region is a paradise for nature and hiking enthusiasts - and of course also for four-legged friends. Dogs are very welcome. To ensure that the interaction between humans, dogs and nature works smoothly you will find a few useful tips here. With your support

we will work together to ensure a clean and safe environment in which everyone can feel comfortable. Thank you for being considerate and taking responsibility. We wish you, and your dog, a wonderful stay in the Andermatt Holiday Region.

## Transportation of dogs

The carriage of dogs is possible by most means of public transportation in the Andermatt Holiday Region. Exceptions are the chair lifts, on the village bus routes and the Gemsstock Express.

## Ticket prices for dogs

**All cable cars in the region  
Andermatt+Sedrun+Disentis**

- Free of charge

## Intschi-Arnisee cable car

- Single CHF 3.50
- Return CHF 7.00

## Public transport

- Standard public transport fares apply

## Leash obligation

In order that other domestic and wild animals are not disturbed dogs are required to be on the lead in the Ursern Valley.\*

\*Source: From the regulations of the Ursern Corporation.

## Waste disposal

The municipalities install numerous green Robidog bins and grey litter garbage cans in order to properly dispose of dog waste. Please use the plastic bags provided and help to keep our streets and footpaths clean.
