

Packing List – Road Cycling Skischule Andermatt

To help you enjoy your cycling tour in the alpine surroundings of Andermatt safely and comfortably, we recommend bringing the following equipment:

Mandatory Equipment

The following items are required for all participants:

- **Road bike** (personal or rental bike from Bikewelt Gisler)
- **Cycling helmet** (mandatory, even for short rides)
- **Working bike lights** (also required for daytime tours)
- **Weather-appropriate sports clothing**
- **Cycling jacket** (wind- and water-resistant)
- **Jersey and bib shorts or tights**
- **Baselayer/undershirt depending on the weather**
- **Gloves** (short or long, depending on the temperature)
- **Cycling sunglasses** (protection from wind, UV, insects)
- **Water bottle (at least 500–750 ml)**
- **Spare inner tube and pump** (or CO₂ cartridge)
- **Personal medication** (e.g. for allergies, asthma)

Recommended Additional Equipment

Especially for longer or custom tours:

- **Multitool** (for basic repairs on the go)
- **Sunscreen** (high SPF recommended)
- **Snack or energy bar**
- **Lightweight rain jacket or windbreaker**
- **Small wallet / cash** (e.g. for coffee stops or return transport)
- **Charging cable or power bank** (for phone/navigation device)
- **Camera or smartphone for photos**
- **Personal ID / GA / Half Fare Card / SwissPass**

Important Notes

- Please wear **weather-appropriate clothing** – alpine weather can change quickly.
- Tours may take place in light rain.
- Even in summer, temperatures can drop above 2,000 m, pack an extra warm layer.
