Information for Tour Operators

Coaches and private tour coaches

Access regulations for Filisur railway station

On “Bahnhofstrasse” leading to Filisur railway station, coaches and private tour buses are prohibited. An exception are regular scheduled public transportation buses or coaches with a permit issued by the municipality.

The following concept regulates access, stopping areas, parking facilities, and general requirements for tour coaches.

Access to Filisur railway station & slot system

- Access to Filisur railway station is only permitted with a pre-booked access permit issued by the municipality.
- Access permits are coordinated by Bergün Filisur Tourism via bookable time slots.
- Due to the very limited space for approach and turning maneuvers at the station area, clear coordination and regulation are essential.
- A **20-minute time slot** can be booked. Only **one coach per slot** is permitted at the station. During this time, the coach may stop for passenger drop-off and pick-up. Afterward, the driver must leave the station area immediately.

The public transportation buses have priority access at all times. Daily fixed closure periods apply from :50 to :10 of every hour. During these times, access to Bahnhofstrasse with a tour coach is strictly prohibited!

1. How to obtain an access permit

Booking the Permit

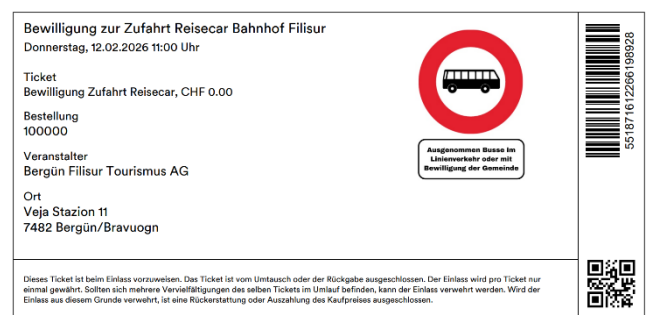

The access permit can be booked online via: shop.e-guma.ch/berguen-filisur/de/tickets

Required Information für Booking

- Date of arrival
- Time of arrival
